

Report on financial analysis

Today's need for awarding and rewarding career.

The Dept. of commerce, Sri Aurobindo College (Eve.) organized a one-day seminar on 'financial analysis-today's need for awarding and rewarding career' on 1st sept, 2017 in the college premises. The speaker of the seminar was Ankur Kulshrestha, Head of Academics, International College of financial Planning of Bajaj capital group. The speaker gave us valuable insights about capital markets, start-ups, importance of specialization in finance and difference between a CA and a financial analyst. He also stressed upon finance as an interesting and rewarding career and various opportunities in the field of finance for the students. The seminar was an overall interactive session and good to hear from a corporate person to understand the nitty-gritty of the subject.
